Welcome to Scribner-Snyder Community Schools

Welcome to the Scribner-Snyder Community Schools! It is with great pleasure on behalf of the staff and the administration at Scribner-Snyder Community Schools that we welcome you. Welcome to the educational family and to a successful and productive school year. The faculty at SSCS are always planning and creating a learning and inviting classroom environment with differentiation instruction at each grade level. It is important that parents and faculty prepare to meet all the students' needs and to challenge students to reach their potential. We need your cooperation and involvement to provide the students at SSCS with the best education possible. New ideas and programs are always being discussed, modified and implemented. It is important for each of you to communicate concerns to appropriate staff and/or administration, so that we can build a partnership, which will ensure student success. SSCS is a unique learning environment that values and demonstrates its never failing mission to accomplish excellence.

The SSCS website and School App will provide you with vital and important information concerning the expectations, policies, procedures and guidelines to help in promoting effective educational practices and daily student success. The 2019-20 school year promises to be a great one.

At Scribner-Snyder Community Schools we expect the best from our students and will give no less ourselves.

Ginger L. Meyer

Superintendent of Schools

From the Principal's Desk

Dear Patrons:

On behalf of the staff and students we want to welcome everyone back to another school year at SSCS. We're excited with all the upgrades completed in the elementary building which includes new tile in the commons area, hallways, and kitchen. The staff also gave these areas a new paint job as well. Our summer support staff and teachers have worked hard over the past couple of months to make our facility look great and to have a very successful summer school program.

A reminder that all K-6 students/parents are invited to an Elementary Student-Parent Open House on the evening of Wednesday, Aug. 14 from 6:00-7:00 p.m. at the school. During this session students and parents are invited to visit their child's new classroom and meet their teacher. Also on this night, Mr. Stithem will be hosting a 7th grade orientation session starting at 6:30 p.m. in the band building. Mr. Meyer will be completing the 9th grade/new student Computer Boot Camp at 6:30 p.m. in the high school media center. All families are asked to pick up their family packets in the commons area on the 14th as well.

It is hard to believe that the summer has flown by so quickly and school is about ready to begin. The first day of school is set for Thursday, Aug. 15th. We will be having 1:30 p.m. dismissals on Aug. 15-16 to start the year. I'm looking forward to working with the parents, students and community members again this year.

Respectively Submitted,

Mr. Stithem
