From the Principal's Desk

Dear Patrons:

On behalf of the staff and students we want to welcome everyone back to another school year at SSCS. Our summer support staff and teachers have worked hard over the past couple months to make our facility look great. If have visited the school you'll notice that our janitors/staff have done a wonderful job with maintenance projects this summer. Some of our teachers have also attended professional development opportunities to improve their instructional skills.

A reminder that all K-6 students/parents are invited to attend an Elementary Student/Parent Open House the evening of Tuesday, Aug. 15 from 6:00-7:00 p.m. at the school. During this session students and parents are invited to visit their child's new classroom and meet their teacher. Also on this night, I will be hosting a 7th grade orientation session starting at 6:00 p.m. in the band building and Mr. Meyer will be completing the 9th grade/new student Computer Boot Camp at 6:00 p.m. in the high school media center.

The coaches have reported a successful start of the fall sports season. Football, softball and volleyball conditioning started the week of July 31- August 4, with formal practices starting the week August 7-11. Please come out this year to support our sports teams this fall.

It is hard to believe that the summer has flown by so quickly and school is about ready to begin. The first day of school is set for Wednesday, Aug. 16th. We will be having 1:30 p.m. dismissals on Aug. 16-17-18 to start the year with regular 3:28 p.m. dismissals starting Aug. 21st. I'm looking forward to working with the parents, students and community members again this year.

Respectively Submitted,

Mr. Stithem

Small School, Big Education

It is with great pleasure on behalf of the staff and the administration at Scribner-Snyder Community Schools that we welcome you to a promising new school year. The faculty at SSCS are always planning and creating a positive learning environment. It is important that parents and faculty prepare to meet all the students' needs and to challenge students to reach their potential. We need your cooperation and involvement to provide the students at SSCS with the best education possible. New ideas and programs are always being discussed, modified and implemented. We want to build a partnership with our community, parents, and patrons, which will ensure student success. SSCS is a unique learning environment that values and demonstrates its never failing mission to accomplish excellence.

The SSCS website and new School App. will provide you with vital and important information concerning the expectations, policies, procedures and guidelines to help in promoting effective educational practices and daily student success. The website is: www.sstrojans.org. Download the app in the app stores. We will also continue to use SchoolMessenger calling system to help keep you informed.
