Annual Summary of the School Improvement Process

In the 2014-2015 school year, the Scribner-Snyder Community Schools has completed the following tasks:

- Conducted six staff in-services on school improvement & professional development
- Encouraged school improvement ownership amongst our staff
- Developed assessment strategies to ensure students perform their best
- Developed additional reading interventions for students who don't meet the 40th percentile of MAP assessments
- Discussed and implemented research-based instructional strategies
