Tie-Breaker to determine the seeds for Final Games

All 3 teams in pool must be 1-1 for the tie-breaker to be used.
(Otherwise records will be 2-0, 1-1, and 0-2)

1. Number of sets won.
2. (+/-) point differential in all sets played.
3. Draw number out of a hat.

***We will alternate play between pools so that we do not have to wait the mandatory 30 minutes between matches. After each team has played one game, we will shorten warm-ups to 11 minutes. The only time we may have to wait would be between game 6 and 7. We will start the warm-up ASAP between games. The Home Team will be the team listed first.
