Parent-Teacher Conferences are scheduled for Wednesday, October 21. However, due to the COVID Pandemic, we are offering a Hybrid option for conferences this fall. Your teacher/s will be communicating with you within the week or so with a description of how your child is doing in school.

If, after you review the correspondence from the teacher and view your son or daughter's grades on Power School, you may schedule a meeting with teachers. This meeting could be face-to-face, via zoom, through a phone call, or by email. Please contact your teacher to make a connection.

Thank you for your cooperation.

Joe Peitzmeier,

Superintendent
