SCRIBNER-SNYDER COMMUNITY SCHOOL BOARD OF EDUCATION  
To host Community Engagement Meeting

The Scribner-Snyder Community School’s Board of Education has scheduled a community meeting for **Tuesday, October 18, 2022**. The public session will take place at the Elementary School at 400 Pebble St. in Scribner, at **6:30 pm**

The community discussion is part of a larger Strategic Planning process and will give the Board of Education and district administration the opportunity to listen to community stakeholders. The results will help formulate a vision of the future and identify goals and strategies necessary to move the district forward to meet the challenges of the 21<sup>st</sup> century. We will be discussing the strengths, accomplishments, and challenges of our school district, the vision, and expectations for our schools and the goals and objectives necessary to design our future by discussing the following 4 questions:

1. Identify the points of pride, accomplishments, and achievements of the school district.
2. Identify the challenges that currently impact or may impact the district and community in the future.
3. What more can the district do to attract students/families to the area to grow enrollment?
4. If you could implement one change to benefit student success, what would it be?

Specific community members have been invited by the district for two reasons: to ensure that a broad cross-section of interests, backgrounds and perspectives are included and to ensure that board members are able to hear from all participants in a purposeful and efficient manner. We are inviting staff members, parents, students, community leaders and other interested members of the public to work together with us – so that we may effectively plan for the future of our district and students. Any patron wishing to attend as part of the process is encouraged to do so. A representative of the Nebraska Association of Schools Boards will facilitate the community engagement process.
